

Vessels of Divine Revelation

July 12, 2026

Acts 2:14-21

Introduction:

All of God's people can now hear directly from Him!

These men are not drunk.... (V14-16)

Give Ear to my words

Peter stands to boldly address the crowds

Biblical "hearing" is always "hear and respond"

It is only the third hour

The third hour was 9am - while drunkenness was not uncommon, it apparently was uncommon so early in the morning.

The third hour - 9am - was the hour for morning prayer.

What you are actually witnessing is.....

The fulfillment of Prophecy

"¹⁶But this is what was uttered through the prophet Joel:"

In the last days...(V17-21)

I will pour out my Spirit

"And in the last days it shall be, God declares, that I will pour out my Spirit on all flesh...." (v17)

Sons and Daughters shall prophesy

Young men will see visions

Old men shall dream dreams

Sons and Daughters shall prophesy

Young men will see visions

Old men shall dream dreams

All who call upon the name of the Lord shall be saved...

- Remember it's a diverse crowd from every nation under heaven who is hearing this message.

Some Key Differences Between Joel and Peter

1. Peter reverses the order: He puts young men and visions before old men and dreams.
2. Peter adds "they shall prophesy" to verse 18.
3. Luke adds a few key words to verse 19 : "signs on the earth below"

All God's People Can Hear From Him... Regardless of age or sex

The implications are astounding....

Youth can hear from God and receive divine revelation/direction
Women can hear from God and receive divine revelation/direction
Young men and old men can hear from God and receive divine revelation.

It's no longer just prophet, priest or king who can hear from, and speak for God.

Peter, filled by the Spirit, is compelled to respond demonstrating the very reality he is walking in now.

What are some different ways we can hear from God?
